**ASHDON WASTE CONTAINMENT RANGE**

Ashdon Group stocks a large range of specialty waste containment solutions. Our specialty range of Dissolvable Seam Laundry bags are an essential part of any Aged Care, Hospital or Medical Facility, minimising cross-contamination risks whilst soiled linen is being transported and handled in the central laundry facility.

Our range of garbage bags are suitable light, mid-weight and heavy applications in aged care, washrooms, offices, restaurants, schools and councils. We stock a large range of sizes and can help design and manufacture custom made speciality products.
